

INVITATION

We are delighted to inform you that the Ninth “ National Convention of Chemistry Teachers” and a National Conference on “Emanating Advances in Chemistry” are being jointly organized by Gayatri Vidya Parishad, Visakhapatnam and Indian Association of Chemistry Teachers (IACT). It will bring chemistry educators, scientists and people from Industry all over India onto a common platform for interaction.

We would be honored if you could spare your valuable time and be a part to witness this mega event. Due to paucity of funds provision of TA will be made only for the invited speakers.

About IACT

IACT, founded in 2000, serves as an academic forum for educators from all over the country.

Prime Objectives of IACT are

- Advancement of Chemistry Education by means of curriculum development and innovations in teaching methodology and evaluation methods.
- Organization of Chemistry workshops and symposia in different parts of the country including an annual National Convention of Chemistry Teachers.
- Exploring and nurturing talent in Chemistry with special reference to the National and International Olympiads.
- Liaison with Industry and National level research institutions for mutual benefit.

Visakhapatnam

Visakhapatnam the city of Destiny is the second largest city of Andhra Pradesh with a population of over 16 lakhs. Situated on the east coast of India and locked by hills all around, the city provides a scenic and serene ambience to a visitor. A sanctuary inside the city limits, Zoological park, 25 km long Beach Road, Buddhist sites and hills with tourist parks looking over the Bay of Bengal in front provide a treat to the eyes. Climate here during the month of November will be cool and comfortable.

The city is well linked by road, rail and air. It is half way between Kolkota and Chennai by rail and 400 km away from Raipur. It is connected by direct trains to cities like Trivandrum, Chennai, Mumbai, Delhi, and Guwahati. More than 20 flights operate daily from Visakhapatnam.

Star Hotels, Tourism Resorts, Moderate and Affordable Accommodation are also available. Side seeing to local places Araku and Borrah Caves will be arranged on request.
